

SEMINAR

# Authentic Assessment in the Age of AI

Authentic assessment acknowledges the authentic skills, practices, and tools that students will need in their future professions. While authentic assessment is not a new idea, we need to rethink it in the digital world, particularly in the age of AI. Nowadays, students use and live with digital technology: AI is a part of our everyday life in higher education. How could we design authentic assessment tasks in the digital world?

**05 July 2024 (Friday)**

**15.00 - 16.15 (Hong Kong Time)**

**Online via Zoom**

**Professor NIEMINEN Jusso**
